# Independent Accountants' Review Report

To the Board of Directors Children's Environmental Literacy Foundation, Inc. Chappaqua, New York

We have reviewed the accompanying financial statements which comprise the statement of financial position of Children's Environmental Literacy Foundation, Inc. (a nonprofit organization) as of December 31, 2018, the related statements of activities, cash flows and functional expenses for the year then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

# Accountants' Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. # NOTE 1 SIGNIFICANT ACCOUNTING POLCIES AND GENERAL INFORMATION

- a. Children's Environmental Literacy Foundation, Inc. ("CELF" or the "Organization") is a not for profit organization incorporated under the laws of the State of New York. CELF is dedicated to making sustainability education an integral part of every school's curricula and culture, from kindergarten through high school by engaging students, teachers and administrators, parents, communities and businesses through professional development, consulting services, and experiential programs.
- b. Basis of Accounting and Presentation The financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States.

The classification of an organization's net assets and its support, revenue and expenses is based on the existence or absence of donor imposed restrictions. The amounts are required to be classified as one of two classes of net assets as those with and without donor imposed restrictions. Net assets are required to be displayed in a statement of financial position. The amounts of change in each of the classes of net assets are required to be displayed in a statement of activities.

The two classes are defined as:

With donor restrictions –Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor imposed stipulations that either expire by the passage of time or can be fulfilled or removed by actions of the Board pursuant to those stipulations, including contributions to be used for specific productions or specified by the donor. When stipulations are fulfilled, such restricted net assets are reclassified to those without donor restrictions and reported in activities and changes in net assets.

Without donor restrictions – The part of net assets that is available for use in general operations and not subject to donor-imposed restrictions or stipulations.

- c. Cash and Cash Equivalents For the purposes of the financial statements, the Organization considers all investment instruments, including money market accounts, with initial maturity of three months or less as cash equivalents.
- d. Grants and Contributions Grants and contributions received are recorded as with and without donor restriction depending upon the existence and or nature of donor imposed

restrictions. When a donor restriction expires, that is, when the stipulated purpose restriction is accomplished, with donor restriction net assets are reclassified to without donor restriction net assets and reported in the statement of activities as net assets released from donor restrictions.

Unconditional promises to give cash or other assets are recorded as contributions when the unconditional promise is made. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

e. Contributed Services

Many individuals volunteer their time and perform a variety of tasks to assist the Organization and related programs. Donated services are recorded, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Certain volunteer services are not recognized as a contribution in the financial statements since the recognition criteria was not met.

f. Tax status

The Organization is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue Code. The Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization may be subject to excise taxes if it engages in certain activities not directly related to the Organizations tax-exempt purpose. For the year ended December 31, 2018, the Organization has not engaged in any activity that may be subject to an excise tax and has no plan to do such.

The Organization records a liability for uncertain tax positions when it is probable that a loss has been incurred and the amount can be reasonably estimated. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The federal and state tax returns for the years ended December 31, 2015, 2019, 2017 and 2018 are subject to examination by the taxing agencies.

The Organization classifies income and excise tax assessments, if any, for interest in interest expense and for penalties as a component of operating expenses.

As of December 31, 2018, management has determined that there are no significant uncertain tax positions requiring recognition in the Organization's financial statements.

# g. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# h. Functional allocation of expenses

Expenses are classified to the program for which they were incurred and are summarized on a functional basis in the Schedule of Functional Expenses. Accordingly, certain costs have been allocated between the program and the supporting services benefited.

Programs services - include functions related to establishing, developing and promoting all aspects of the organization's mission.

General and administration – involves direction of the overall affairs of the organization, including accounting, personnel, administration and related areas.

Fundraising – involves the development of funding sources to aid the organization in the raising of funds for its programs.

# i. Bad Debt Policy

The organization considers all pledges receivables at December 31, 2018 to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Based on the experience of management, the specific charge-off method is used to deduct bad debt expenses related to contributions and miscellaneous receivables when collection efforts have been exhausted and the receivable is deemed worthless.

# j. Financial Instruments and Credit Risk

The Organization manages deposit concentration risk by placing cash, money market accounts, with financial institutions believed by us to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, we have not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members and foundations supportive of our mission. We and the finance committee believe that the investment policies and guidelines are prudent for the long-term welfare of the organizations.

# k. Fair Value

The Organization established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest

value to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to measurements involving significant unobservable inputs.

The Organization considers the carrying amounts of financial instruments, including cash, unconditional promises to give and accounts payable to approximate their fair values because of their relative short maturity, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

1. Impairment of Long-Lived Assets

At least annually, and more frequently if warranted, the Organization assesses its long-lived assets for impairment. At December 31, 2018, the Organization has determined that no such impairment existed.

# NOTE 2 UNINSURED CASH BALANCES

CELF maintains cash balances at various financial institutions in the New York City metropolitan area. Accounts at banking institutions are insured by the Federal Deposit Insurance Corporation up to certain specified amounts. Management feels that the risk of any possible loss is not material nor has CELF incurred any losses.

# NOTE 3 PLEDGES RECEIVABLE

Unconditional promises to give are recorded as receivables and revenue when received. Pledges are expected to be realized in the following periods as of December 31, 2018:

Under one year

\$ 10,380

# NOTE 4 - COMMITMENTS AND CONTINGENCIES

# <u>Grants</u>

Grants require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions may result in the return of such funds to grantors. Although that is a possibility, the Board deems the contingency remote, since by accepting the gifts and terms; it has accommodated the objectives of the organization to the provisions of the gift.

# NOTE 5 – NET ASSETS WITH DONOR RESTICTIONS

Net assets with donor restrictions included the following at December 31, 2018:

Student Ambassador / Life Straw	\$ 24,790
Professional Development and Training	8,978

# NOTE 6 – AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity to meets its operating needs and other contractual commitments. The Organization has access to the liquidity in the form of cash.

For purposes of analyzing resources available to meet general expenditures over a 12month period, the Organization considers all expenditures related to its ongoing educational and other activities as well as the conduct of services undertaken to support those activities to be general expenditures.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash	\$ 92,856
Pledges receivable	10,380
Total	\$ 103,236

As part of our liquidity management plan, we from time to time invest cash in excess of requirements in bank money market funds.

# NOTE 7 - NET ASSETS RELEASED FROM DONOR RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes including funding for specific programs, or by occurrence

of other events specified by the donors. During the year ended December 31, 2018 the following program restrictions were released:

Student Ambassador / Life Straw	\$ 12,198
Summer Institute	49,000
Professional Development and Training	95,034
Total	\$ 156,232

# NOTE 7 COMMITMENTS AND CONTINGENCIES

Grants require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to grantors. Although that is a possibility, CELF's management deems the contingency remote.

# NOTE 8 CONCENTRATIONS

In the current year, a significant amount of contributions were provided by a few major contributors. It is always considered reasonably possible that benefactors, grantors or contributors might be lost in the near term. CELF's market is concentrated in the New York City metropolitan area.

# NOTE 9 SUBSEQUENT EVENTS
