classified as an organization other than a private foundation under Section 509(a)(2).

The Organization may be subject to excise taxes if it engages in certain activities not directly related to the Organizations tax-exempt purpose. For the year ended December 31, 2019, the Organization has not engaged in any activity that may be subject to an excise tax and has no plan to do such.

The Organization records a liability for uncertain tax positions when it is probable that a loss has been incurred and the amount can be reasonably estimated. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The federal and state tax returns for the years ended December 31, 2016, 2017, 2018 and 2019 are subject to examination by the taxing agencies.

The Organization classifies income and excise tax assessments, if any, for interest in interest expense and for penalties as a component of operating expenses.

As of December 31, 2019, management has determined that there are no significant uncertain tax positions requiring recognition in the Organization's financial statements.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Summarized Comparative Information

We previously reviewed Children's Environmental Literacy Foundation, Inc.'s 2018 financial statements and in our conclusion dated May 13, 2019 stated that based on our review, we were not aware of any material modifications that should be made to the 2018 financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America. We are not aware of any material modifications that should be made to the summarized comparative information presented herein as of and for the year ended December 31, 2018, for it to consistent with the reviewed financial statements from which it has been derived.

NOTE 1 SIGNIFICANT ACCOUNTING POLCIES AND GENERAL INFORMATION

a. Children's Environmental Literacy Foundation, Inc. ("CELF" or the "Organization") is a not for profit organization incorporated under the laws of the State of New York. CELF is dedicated to making sustainability education an integral part of every school's curricula and culture, from kindergarten through high school by engaging students, teachers and administrators, parents, communities and businesses through professional development, consulting services, and experiential programs.

Effective October 11, 2019, CELF filed and received a Certificate of Filing evidencing the authority of the Organization to transact business in the state of Texas.

b. Basis of Accounting and Presentation

The financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States.

The classification of an organization's net assets and its support, revenue and expenses is based on the existence or absence of donor imposed restrictions. The amounts are required to be classified as one of two classes of net assets as those with and without donor imposed restrictions. Net assets are required to be displayed in a statement of financial position. The amounts of change in each of the classes of net assets are required to be displayed in a statement of activities.

The two classes are defined as:

With donor restrictions –Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor imposed stipulations that either expire by the passage of time or can be fulfilled or removed by actions of the Board pursuant to those stipulations, including contributions to be used for specific productions or specified by the donor. When stipulations are fulfilled, such restricted net assets are reclassified to those without donor restrictions and reported in activities and changes in net assets.

Without donor restrictions – The part of net assets that is available for use in general operations and not subject to donor-imposed restrictions or stipulations.

c. Cash and Cash Equivalents

For the purposes of the financial statements, the Organization considers all investment instruments, including money market accounts, with initial maturity of three months or less as cash equivalents.

d. Revenue Recognition

Grants and Contributions

Grants and contributions received are recorded as with and without donor restriction depending upon the existence and or nature of donor imposed restrictions. When a donor restriction expires, that is, when the stipulated purpose restriction is accomplished, with donor restriction net assets are reclassified to without donor restriction net assets and reported in the statement of activities as net assets released from donor restrictions.

Unconditional promises to give cash or other assets are recorded as contributions when the unconditional promise is made. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Donated marketable securities and other non-cash assets are recorded as contributions at their estimated fair values at the date of the donation.

Contributed Services

Many individuals volunteer their time and perform a variety of tasks to assist the Organization and related programs. Donated services are recorded, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Certain volunteer services are not recognized as a contribution in the financial statements since the recognition criteria was not met.

Program Income

CELF receives fees from schools and others for teacher and other training.

e. Tax status

The Organization is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue Code. The Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization may be subject to excise taxes if it engages in certain activities not directly related to the Organizations tax-exempt purpose. For the year ended

December 31, 2019, the Organization has not engaged in any activity that may be subject to an excise tax and has no plan to do such.

The Organization records a liability for uncertain tax positions when it is probable that a loss has been incurred and the amount can be reasonably estimated. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The federal and state tax returns for the years ended December 31, 2016, 2017, 2018 and 2019 are subject to examination by the taxing agencies.

The Organization classifies income and excise tax assessments, if any, for interest in interest expense and for penalties as a component of operating expenses.

As of December 31, 2019, management has determined that there are no significant uncertain tax positions requiring recognition in the Organization's financial statements.

f. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

g. Functional allocation of expenses

Expenses are classified to the program for which they were incurred and are summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated between the program and the supporting services benefited.

Programs services - include functions related to establishing, developing and promoting all aspects of the organization's mission.

General and administration – involves direction of the overall affairs of the organization, including accounting, personnel, administration and related areas.

Fundraising – involves the development of funding sources to aid the organization in the raising of funds for its programs.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and fees, payroll taxes, contracted services, rent and insurance, which are allocated on the basis of estimates of staff time and effort, and the percentage of space used.

The Organization's major programs include:

Professional Development

The concepts of sustainability are universal, but every district and school starts from a different place in implementing sustainability education. CELF customized professional development (PD) helps schools infuse curriculum and school culture with education for a sustainable future. PD services include: gap analyses of curriculum maps; on-site Education for Sustainability training and resources (specific to grade level and school or district needs and interests); and review of facilities "green" improvements to help infuse projects into curriculum. We provide a framework for integrating sustainability concepts into existing curricula, and review curriculum exemplars and case studies on implementation of sustainability education at other schools.

Professional Learning Model: CELF's three-tiered professional learning model engages educators in interactive learning experiences that help them view their work with students through the lens of sustainability. CELF's facilitators work side-by-side with educators as they design programs that integrate both the Big Ideas of Sustainability practices and principles into their existing curricula while creating EfS classrooms and school-wide learning opportunities.

Citizen Science in School Communities Program: Tailored to each school and community location, this program engages educators and students in project-based STEAM learning outside of the classroom. As environmental health researchers, students collect and analyze air quality data in their communities using IOT technology. Using this data, students are able to identify sources of air pollution, understand connections to human behaviors and develop and present prevention and remediation plans for their communities.

Summer Institute

A professional development curriculum intensive designed to advance educational goals together with locally identified social, economic and environmental objectives. The Institute builds practical curriculum integration of stewardship perspectives, skills and action and the restoration, rebuilding, and reconnecting of human communities and community stewardship and civic life.

Civic Science

Inquiry to Action is a semester- or year-long program that engages educators and students in project-based STEAM learning outside of the classroom. Tailored to each school and community location, we offer professional learning workshops for teachers paired with on-site support to implement a project-based learning module that connects students to real-world challenges in their own neighborhoods. The program combines the development of 21st century skills with the motivation and creativity generated by solving a problem in one's own community. Participants in the program will: Implement a project-based STEAM learning unit; participate in two professional learning workshops paired with on-site educator support; collect data with AirBeam monitoring technology

combined with HabitatMap crowd-sourced data sharing platform; focus on air-quality while learning pedagogical principles that apply to a range of civic science learning opportunities; engage with local concerns through student-led inquiry.

i. Bad Debt Policy

The organization considers all pledges receivable at December 31, 2019 to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Based on the experience of management, the specific charge-off method is used to deduct bad debt expenses related to contributions and miscellaneous receivables when collection efforts have been exhausted and the receivable is deemed worthless.

j. Financial Instruments and Credit Risk

The Organization manages deposit concentration risk by placing cash, money market accounts, with financial institutions believed by us to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, we have not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members and foundations supportive of our mission. We and the

finance committee believe that the investment policies and guidelines are prudent for the long-term welfare of the organizations.

k. Fair Value

The Organization established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest value to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to measurements involving significant unobservable inputs.

The Organization considers the carrying amounts of financial instruments, including cash, unconditional promises to give and accounts payable to approximate their fair values because of their relative short maturity, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

1. Impairment of Long-Lived Assets

At least annually, and more frequently if warranted, the Organization assesses its long-lived assets for impairment. At December 31, 2019, the Organization has determined that no such impairment existed.

NOTE 2 UNINSURED CASH BALANCES

CELF maintains cash balances at various financial institutions in the New York City metropolitan area. Accounts at banking institutions are insured by the Federal Deposit Insurance Corporation up to certain specified amounts. Management feels that the risk of any possible loss is not material nor has CELF incurred any losses.

NOTE 3 – PROGRAM FEES RECEIVABLE

Program fees are recorded as receivables and revenue when the services are rendered. Program fees receivable are expected to be realized in the following periods as of December 31, 2019:

Under one year \$ 3,100

NOTE 4 - COMMITMENTS AND CONTINGENCIES

Grants

Grants require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions may result in the return of such funds to grantors. Although that is a possibility, the Board deems the contingency remote, since by accepting the gifts and terms; it has accommodated the objectives of the organization to the provisions of the gift.

Lease Obligation

In connection with its business registration in Texas, CELF entered into a lease for office space in Houston, Texas effective November 19, 2019 for a term of one year with rent of \$1,200, per month. The entire year's rent expense of \$14,400 was paid in advance as a contribution to the Organization by a donor. Rent expense for the year ended December 31, 2019 was \$1,680, and the balance of the rent contribution has been recorded as prepaid expenses.

NOTE 5 – NET ASSETS WITH DONOR RESTICTIONS

Net assets with donor restrictions included the following at December 31, 2019:

Student Ambassador / Life Straw	\$ 17,549
Professional Development and Training	7,140

NOTE 6 – AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity to meets its operating needs and other contractual commitments. The Organization has access to the liquidity in the form of cash.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing educational and other activities as well as the conduct of services undertaken to support those activities to be general expenditures.

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash	\$ 309,698
Pledges receivable	3,100
Total	\$ 312,798

As part of our liquidity management plan, we from time to time invest cash in excess of requirements in bank money market funds.

NOTE 7 - NET ASSETS RELEASED FROM DONOR RESTRICTIONS

Life Straw	\$ 181
Summer Institute	39,050
Citizen Science	80,713
Total	\$ 119,944

NOTE 8 - CONCENTRATIONS

In the current year, a significant amount of contributions were provided by a few major contributors. For the year ended December 31, 2019, one contributor donated an aggregate of \$364,000, 58% of total contributions and grants.

It is always considered reasonably possible that benefactors, grantors or contributors might be lost in the near term. CELF's market is concentrated in the New York City metropolitan area.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated all events and transactions occurring after December 31, 2019 and through April 27, 2020 the date these financial statements were available to be issued, to identify subsequent events requiring disclosure. Management has considered the impact of the recent outbreak of COVID-19 (Novel Coronavirus) and does not believe that the Organization will suffer any long-term impact. Management is working with the Board of

Directors to ensure operations are not impacted and is considering some of the relief available in the CARES Act and other recent actions by the federal, state and local government. Management concluded that no other subsequent events have occurred that would require recognition or disclosure in the financial statements.
