We have reviewed the accompanying financial statements of Children's Environmental Literacy Foundation, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The 2019 financial statements were reviewed by another firm, whose report dated April 27, 2020, stated that based on their procedures, they are not aware of any material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. The summarized comparative information presented herein, as of and for the year ended December 31, 2019, is consistent, in all material respects, with the reviewed financial statements from which it has been derived.

Note 1 Organization

Children’s Environmental Literacy Foundation, Inc. (“CELFF”) is a not-for-profit organization incorporated under the laws of the State of New York. CELFF is dedicated to making sustainability education an integral part of every school’s curricula and culture, from kindergarten through high school by engaging students, teachers and administrators, parents, communities and businesses through professional development, consulting services, and experiential programs.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Financial Statement Presentation

CELFF is required to report information regarding its financial position and activities according to classes of net assets as follows:

Without Donor Restrictions – Net assets not subject to donor-imposed stipulations.

With Donor Restrictions – Net assets subject to donor-imposed stipulations that will be met whether by action of CELFF and/or the passage of time or net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

The financial statements include certain prior-year summarized and comparative information that does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with CELFF’s financial statements for the year ended December 31, 2019.

Revenue Recognition

Grants and Contributions – In accordance with GAAP, grants and contributions are recorded as with and without donor restriction depending upon the existence and or nature of donor-imposed restrictions. When a donor restriction expires, that is, when the stipulated purpose restriction is accomplished, with donor restricted net assets are reclassified to without donor restricted net assets and reported in the statement of activities as net assets released from donor restrictions.

Unconditional promises to give cash or other assets are recognized as support upon notification of the unconditional promise to give. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Note 2 Summary of Significant Accounting Policies (continued)

Donated marketable securities and other non-cash assets are recorded as contributions at their estimated fair values at the date of the donation.

Contributed Services – Many individuals volunteer their time and perform a variety of tasks to assist CELF and related programs. Donated services are recorded as a contribution, in accordance with GAAP, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by CELF. Certain volunteer services are not recognized as a contribution in the financial statements since the recognition criteria was not met.

Program Income – CELF receives fees from schools and others for teacher and other training which are recognized when earned.

Tax Status

CELF is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code and is not “private foundation” within the meaning of Section 509(a). Management has determined that there are no significant uncertain tax positions requiring recognition in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and support activities of CELF are allocated based upon the functions they directly benefit or upon management’s estimates of the proportion of these costs applicable to each function. The program services and supporting activities of CELF are as follows:

Professional Development and Training

The concepts of sustainability are universal, but every district and school starts from a different place in implementing sustainability education. CELF’s customized professional development (PD) helps schools infuse curriculum and school culture with education for a sustainable future. PD services include: gap analyses of curriculum maps; on-site Education for Sustainability training and resources (specific to grade level and school or district needs and interests); and review of facilities “green” improvements to help infuse projects into curriculum. CELF provides a framework for integrating sustainability concepts into existing curricula, and reviews curriculum exemplars and case studies on implementation of sustainability education at other schools.

Note 2 Summary of Significant Accounting Policies (continued)

Summer Institute

A professional development curriculum intensive designed to advance educational goals together with locally identified social, economic and environmental objectives. The Institute builds practical curriculum integration of stewardship perspectives, skills and action and the restoration, rebuilding, and reconnecting of human communities and community stewardship and civic life.

Civic Science

Civic Science: Inquiry to Action is a semester or year-long program that engages educators and students in project-based Science, Technology, Engineering, the Arts and Mathematics (STEAM) learning outside of the classroom. Tailored to each school and community location, we offer professional learning workshops for teachers paired with on-site support to implement a project-based learning module that connects students to real-world challenges in their own neighborhoods. The program combines the development of 21st century skills with the motivation and creativity generated by solving a problem in one's own community. Participants in the program will implement a project-based STEAM learning unit; participate in two professional learning workshops paired with on-site educator support; collect data with AirBeam monitoring technology combined with HabitatMap crowd-sourced data sharing platform; focus on air-quality while learning pedagogical principles that apply to a range of civic science learning opportunities and engage with local concerns through student-led inquiry.

General and Administration – involves direction of the overall affairs of CELF, including accounting, personnel, administration and related areas.

Fundraising – involves the development of funding sources to aid CELF in the raising of funds for its programs.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and fees, payroll taxes, contracted services, rent and insurance, which are allocated on the basis of estimates of staff time and effort, and the percentage of space used. Legal and professional fees, program materials, utilities, information technology, printing and marketing, travel and meals, office expenses, banking and related fees, state filing fees and stipends to participants are allocated directly to the program and supporting service to which they apply.

Concentration of Credit Risk

CELF maintains accounts at financial institutions that may, at times, exceed federally insured limits. CELF does not believe that this practice results in any significant credit risk.

Note 3 Net Assets with Donor Restrictions

Net assets with donor restrictions included the following purposes at December 31, 2020:

Professional development and training	\$ 5,918
Civic Science	9,668
Total	<u>\$ 15,586</u>

Note 4 Available Resources and Liquidity

CELFF regularly monitors liquidity to meets its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12-month period, CELFF considers all expenditures related to its ongoing educational and other activities as well as the conduct of services undertaken to support those activities to be general expenditures.

Financial assets available for general expenditure within one year of the statement of financial position date consist of the following:

Cash and cash equivalents	\$ 230,300
Program fees receivable	600
	<u>230,900</u>
Less: Donor restrictions	15,586
	<u>\$ 215,314</u>

Note 5 Net Assets Released from Donor Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes including funding for specific programs, or by occurrence of other events specified by the donors. During the year ended December 31, 2020 the following program restrictions were released:

Professional Development & Training	\$ 8,402
Civic Science	120,612
Summer Institute	84,400
Total	<u>\$ 213,414</u>

Note 6 Concentrations

In the current year, a significant amount of contributions were provided by a few major contributors. For the year ended December 31, 2020, two contributors donated 51% of total contributions and grants.

It is always considered reasonably possible that benefactors, grantors or contributors might be lost in the near term. CELF’s market is concentrated in the New York City metropolitan area.

Note 7 Paycheck Protection Program Loan

In 2020, CELF obtained a loan in the amount of \$68,400 pursuant to the Paycheck Protection Program (“PPP”). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), provides for loans to qualifying businesses for up to 2.5 times of the average monthly payroll expenses of the qualifying business. Under the terms of the PPP, certain amounts of the loan may be forgiven if they are used for qualifying expenses as described in the CARES Act. On December 24, 2020, CELF received notice that their PPP loan had been forgiven in full and CELF recognized it as revenue in the current year and it is included in contributions and grants on the statement of activities.

Note 8 Uncertainties

COVID-19 Coronavirus

Economic uncertainties have arisen due to the spread of the COVID-19 coronavirus. CELF believes such uncertainties are temporary in nature. The COVID-19 coronavirus may affect CELF’s ability to conduct its programming. Other financial impacts could occur, although such potential impacts are unknown at this time.

Note 9 Subsequent Events

CELF has evaluated events and transactions occurring after December 31, 2020 and through April 14, 2021 the date these financial statements were available to be issued, to identify subsequent events requiring disclosure.
